Mr. John H. Harden
848 Hunter St. S.W.
Atlanta Ga,

Dear Mr. Harden:

I have just received a letter signed by Mr. Ric Roberts of Atlanta Daily World. In it he said "We are contemplating here a Sunday game with your team on April 23, and another exhibition in Athens, Ga. or possibly Augusta, Ga. on April 24&25".

I have quoted his wording. I was under the impression the Sunday April 23rd game was definitely decided on. From his wording it sounds like it is just being contemplated. Please let me hear from you at once on this. Also let me know if Mr Roberts is authorized to write for you. I of course do not know whether he is your representative or Mr Bakers.

I wrote Mr. Baker the day I received the letter from you and Mr. Wilson and told him I was dealing with you and he would have to see you so far as I was concerned about Atlanta and The Black Crackers.

I would appreciate hearing from you right away about the 23rd. I will also accept the dates in Athens or Augusta or both on the 24th and 25th. If these dates are sure please let me know at once. Be sure and tell me if Mr. Roberts is writing for you.

Very Truly Yours

I am not answering Mr. Roberts letter as I am not sure who he represents. If he is your man kindly relay this message to him
